I have been unable to secure insurance for this insured from at least one Admitted company writing or most likely to accept this risk in the State of Idaho and therefore have secured the protection through a Non-Admitted company(s) in accordance with Chapter 12 Title 41 of the Insurance CODE, ORDERS and RULES of the Idaho Department of Insurance and Surplus Line Association of Idaho.

If the risk is not eligible for open lines, a diligent search of the market for this insured has been completed in accordance with Code Section 41-1214 and Rule 18.06.06. Resulting declination(s) is/are logged above. This log will be provided to the Idaho Department of Insurance upon their request and will be kept with the insured file for at least five years.

The insured has been informed that this contract is issued pursuant to Idaho Insurance Laws by an insurer not licensed by the Idaho Department of Insurance nor covered by the Guaranty Fund.

The Endorsement of Contract is imprinted on the insured's policy in Red Ink with at least 10 pt. Bold type, or at least 12 pt. Bold Black Ink and bears the name and license # of procuring S/L Broker.
